Synopsis: Foster care and kinship care. Requires the department of child services (department) to apply for federal funding if the department receives state funding for the implementation of the kinship care navigator pilot projects. Requires the department to: (1) exercise due diligence to identify all blood and adoptive relatives of a child alleged to be a child in need of services who is taken into custody; and (2) provide certain notice to the blood and adoptive relatives of the child. Changes the felonies that certain individuals must have committed to be prohibited from having a child placed with certain individuals in an out-of-home placement. Requires the department to deny a foster family home license to an applicant or revoke a foster family home license of a licensee if an employee or volunteer who has direct contact on a regular and continuous basis with children who are under the direct supervision of the applicant or licensee has been convicted of certain felonies within certain periods. (Current law allows the department to deny or revoke a license to an applicant if the employee or volunteer has been convicted of other specified felonies.) Provides that the department may deny a license to an applicant if certain time periods have elapsed since the date the applicant was convicted of certain felonies. Appropriates \$150,000 to the department from the state general fund for each year of the biennium beginning July 1, 2009, and ending June 30, 2011.
